PETITION PURSUANT TO 37 C.F.R. § 1.137(b)
FOR REVIVAL OF ABANDONED APPLICATION

Sir:

Pursuant to 37 C.F.R. § 1.137(b), applicants hereby petition for revival of International patent application PCT/US99/04583 ("the PCT application"), which designates the United States. The PCT application unintentionally became abandoned as of September 3, 2000 because of applicants' failure to complete the requirements as set forth in 35 U.S.C. § 371(c) and 37 C.F.R. § 1.495(b), for entering national phase in the United States, or to file a continuation application in the United States during the pendency of the PCT application.

EK709292305US }

Accordingly, as required by 37 C.F.R. § 1.137(b), this petition is accompanied by:

(1) a request to file a continuation application of International application PCT/US99/04583 under 37 C.F.R. § 1.53(b), a copy of the International application (specification, drawings, claims, Abstract and paper Sequence Listing), and the filing fee in the amount of \$2,808.00 (charged to Deposit Account 06-1075) [37 C.F.R. § 1.16 (a)-(d)]; and

(2) the petition fee set forth in 37 C.F.R. § 1.17(m) of \$1,240 (charged to Deposit Account 06-1075).

This application and the parent PCT application were filed after June 8, 1995 so that a Terminal Disclaimer is not required.

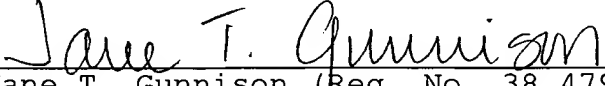

Applicants are filing this petition within three months of the date they were first notified that the PCT application was abandoned -- February 8, 2001. The entire delay in filing the required application from the September 3, 2000 national phase/continuation application due date until the filing of this grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

Accordingly, applicants respectfully request that this petition be granted and the PCT application be revived. Early and favorable consideration of this petition is respectfully requested.

The Commissioner is hereby authorized to charge any additional fee due, or to credit any overpayment, in

connection with this petition, to Deposit Account No. 06-1075.
A duplicate copy of this Petition is enclosed herewith.

Respectfully submitted,
